## **Our Mission:**

***To inspire and enable young people, especially those who need us most, to realize their full potential as productive responsible citizens by providing community based Clubs that are safe and positive places for kids.***

# GREAT FUTURES START **HERE.**

## OUR CORE PROGRAMS

### Character & Leadership Development:

Torch Club & Keystone Club are chartered, small group leadership & service clubs for boys & girls. Torch Club is for members ages 11-13 years old. Keystone Club is for members ages 14-18 years old.

### Education & Career Development:

Power Hour provides members with the resources to succeed in school via homework help and tutoring at the Club.

Club Tech teaches members to incorporate technology in their everyday learning through state of the art programs & equipment.

### Health & Life Skills:

S.M.A.R.T Girls & BOYS CLUB guides members in developing skills to engage in positive behaviors that nurture their own well-being. Topics include leadership, service, self esteem, and health & well-being.

### The Arts:

National Fine Arts Exhibit encourages artistic expression among Club members through drawing, painting, printmaking, collage, mixed media and sculpture displayed at local and regional exhibits.

Imagemakers encourages Club members to learn and practice black-and-white, color, digital, and alternative process photography.

### Sports, Fitness, & Recreation:

Triple Play is a comprehensive wellness program that strives to improve the overall health of Club members through the development of the *Mind, Body, and Soul*:

**Mind**-encourages young people to eat smart through the *Healthy Habits program, which covers the power of choice, calories, vitamins and minerals, the food pyramid, and appropriate portion size*

**Body**-providing physical activities through *Daily Fitness Challenges, Sports Clubs, & Triple Play Tournaments*

**Soul**-building positive relationships and cooperation among young people
