Welcome

Dear Boys & Girls Clubs Friends,

Welcome to the 18th Annual Born to Be Wild Virtual Dinner & Auction. This year — a year unlike anything we've seen — finds us taking our annual event online. The Highway to Great Futures leads home this year with a particular focus on things here in our local area.

If you're familiar with this event, you know it's more than a fun-filled cruise down the highway. Funds raised at this annual event help support Club membership for over 3,000 Boys & Girls Club youth in Thurston County. Kids and teens attending our seven Club locations are more than part of our community; they are our future. They are our future leaders, neighbors, business owners, and visionaries. The Clubs play an important part in giving all youth a safe space to realize their potential and know how great they are. With the added challenges due to the COVID-19 pandemic, the Clubs are more vital than ever. Your support of this year's Born to be Wild Auction creates opportunities for kids in our community to reach their full potential — especially those who need the Club most.

Whether this year's event finds you gathering with small groups of friends or simply enjoying the event from the comfort of home, we're grateful you've come along for this ride. Win a trip! Buy a basket! Bid on treasures! Enjoy this year's auction and please give generously during our Fund-A-Kid portion of the show! Your support through generous giving supports young people in our community.

Thank you for joining the festivities. On behalf of our auction committee, board members, staff, and all the Club Kids, THANK YOU!

About Boys & Girls Clubs of Thurston County

The Clubs are there for kids when school is out (and also in the midst of a global pandemic)! Our Clubs provide meaningful programs and fun activities to prepare kids and teens for real-world success. Clubs provide a safe, quality out-of-school experience, meeting and supporting youth where they are and guiding them to be successful.

Our Mission:

The mission of Boys & Girls Clubs of Thurston County is to inspire and enable youth to realize their greatness.

BOYS & GIRLS CLUBS
OF THURSTON COUNTY

When coronavirus closed our schools to in-person learning in March, our Clubs remained open (and safe!). Clubs provided emergency care to children of first responders, healthcare workers, essential community personnel, and Club parents required to work.

Club staff stepped up and stepped in like never before to meet the needs of the youth we serve. Thank you to our dedicated Club Staff for doing #WhateverItTakes for youth in Thurston County.

FUND-A-KID

Paddle Raise

This year's Born to be Wild guest speaker is Cathleen Doctor, a long-time Boys & Girls Club parent. Cathleen is a proud mom of two daughters whose experiences at the Club not only changed their life as a family but our community as well.

Cathleen will share her story as a single mom raising two daughters, Tasha and Faith, and the peace that she experienced in finding a safe place for her children – each being unique and gifted in their own right. She will speak to her experience and offer valuable perspective on what it meant to be on the receiving end of the support and understanding provided by the Clubs and their staff. Through Club programs for the girls, as well as family nights and Club volunteer opportunities for all three of them, Cathleen found Boys & Girls Clubs to be a home away from home for her girls.

Cathleen is now extending her experience to others. “Having a foundation of community support with a team of people that encourages positive self-development, individuality, and compassionate understanding is important to me,” said Cathleen. “So, it’s not surprising I would make the decision to work at the Club supporting my family.”

Donors like you make Cathleen’s experience possible. Support for Boys & Girls Clubs changes the lives of youth and families in our community.

Thank you for supporting Fund-a-Kid at the 2020 Born to be Wild Auction.
